

# BACK TO BASICS

**Key Issues in Contemporary Fostering & Adoption**  
One day workshops offering contemporary research, theory  
and practical applications

## **C**ontact Arrangements for Children

**26 September 2008**

A framework for assessing what is good contact and for using contact as a therapeutic opportunity for change.  
COST; £190 + VAT (Incl. lunch & handbook)

## **A**ttachment and Contact for Guardian's

**2-3 October 2008**

The 2 days will outline training on trauma, attachment & contact.  
COST; £380 + VAT (Incl. lunch & handbook)

## **E**ducational Issues for Looked After & Adopted Children

**22 October 2008**

It is recognised in the literature that 'looked after children' have many issues with schooling. Many adopted children similarly struggle with their behaviour at school and with their cognitive processing and learning. The day will outline an assessment framework and intervention strategies.  
COST; £190 + VAT (Incl. lunch & handbook)

## **I**ntroduction to Family Futures Assessment Handbook

**13 November 2008**

Placing siblings together or separately is a difficult dilemma for social workers. The day will explore this issue from a trauma and attachment perspective.  
COST; £190 + VAT (Incl. lunch & handbook)

## **S**ibling Placements

**4 February 2009**

Placing siblings together or separately is a difficult dilemma for social workers. The day will explore this issue from a trauma and attachment perspective.  
COST; £190 + VAT (Incl. lunch & handbook)

## **P**arent Mentoring

**12 February 2009**

The day will focus on integrating home and school approaches to managing challenging behaviour.  
COST; £190 + VAT (Incl. lunch & handbook)

## **M**atching - Assessments of Children

**18 February 2009**

The day will focus on assessment tools that can be used to ascertain children's attachment styles, beliefs about families and their therapeutic needs.  
COST; £190 + VAT (Incl. lunch & handbook)

**NOTE; All the above training is available for Local Authorities to buy in**
