

Summary for children and young people

Name: Family Futures CIC

URN: SC462984

Date of inspection: 15 Dec 2025

Dear children and young people,

It was lovely coming to see you from the 15 to 19 December 2025 and we had the pleasure of speaking to some of you.

We really enjoyed visiting Family Futures and talking to you and your families. We are sorry that we did not get to see many of you.

We want to thank all those children and young people we heard from, as we know that it can't be easy sharing your experiences with strangers. We were really impressed with the way you were able to explain to us what it's like receiving support from Family Futures and your views helped us in making our decision.

We saw how proud the staff are of the progress you are making and how much they care about you. The team at Family Futures are extremely proud of all of you and have high hopes for your futures.

After our visit we felt that Family Futures remains an 'Outstanding' adoption agency.

We were really impressed seeing the beautiful therapeutic spaces at Family Futures and we are sure that you have positive experiences when you visit with highly qualified team to help you understand your feelings. You can access different therapies and learn about yourself through fun and play.

We can see that your families and the staff are proud of your achievements and want you to do well.

Thanks again for your help and we wish you all the best for the future.

Enjoy the festival season and a happy new year.

Yours faithfully

Dorothy and Jo

Ofsted Social Care Regulatory Inspectors
